The Long and Winding Road

I walk down that long and winding road
winds rustling the leaves about
as I pass through the hills
and valleys of my mind.

The day is beautiful
as the colors of dawn
burst into splendor
and I see the beauty of being myself
destined to be me.

Moments are precious
in the endless time before me
but now I'm here
kicking stones into the sun
passing this way but once.

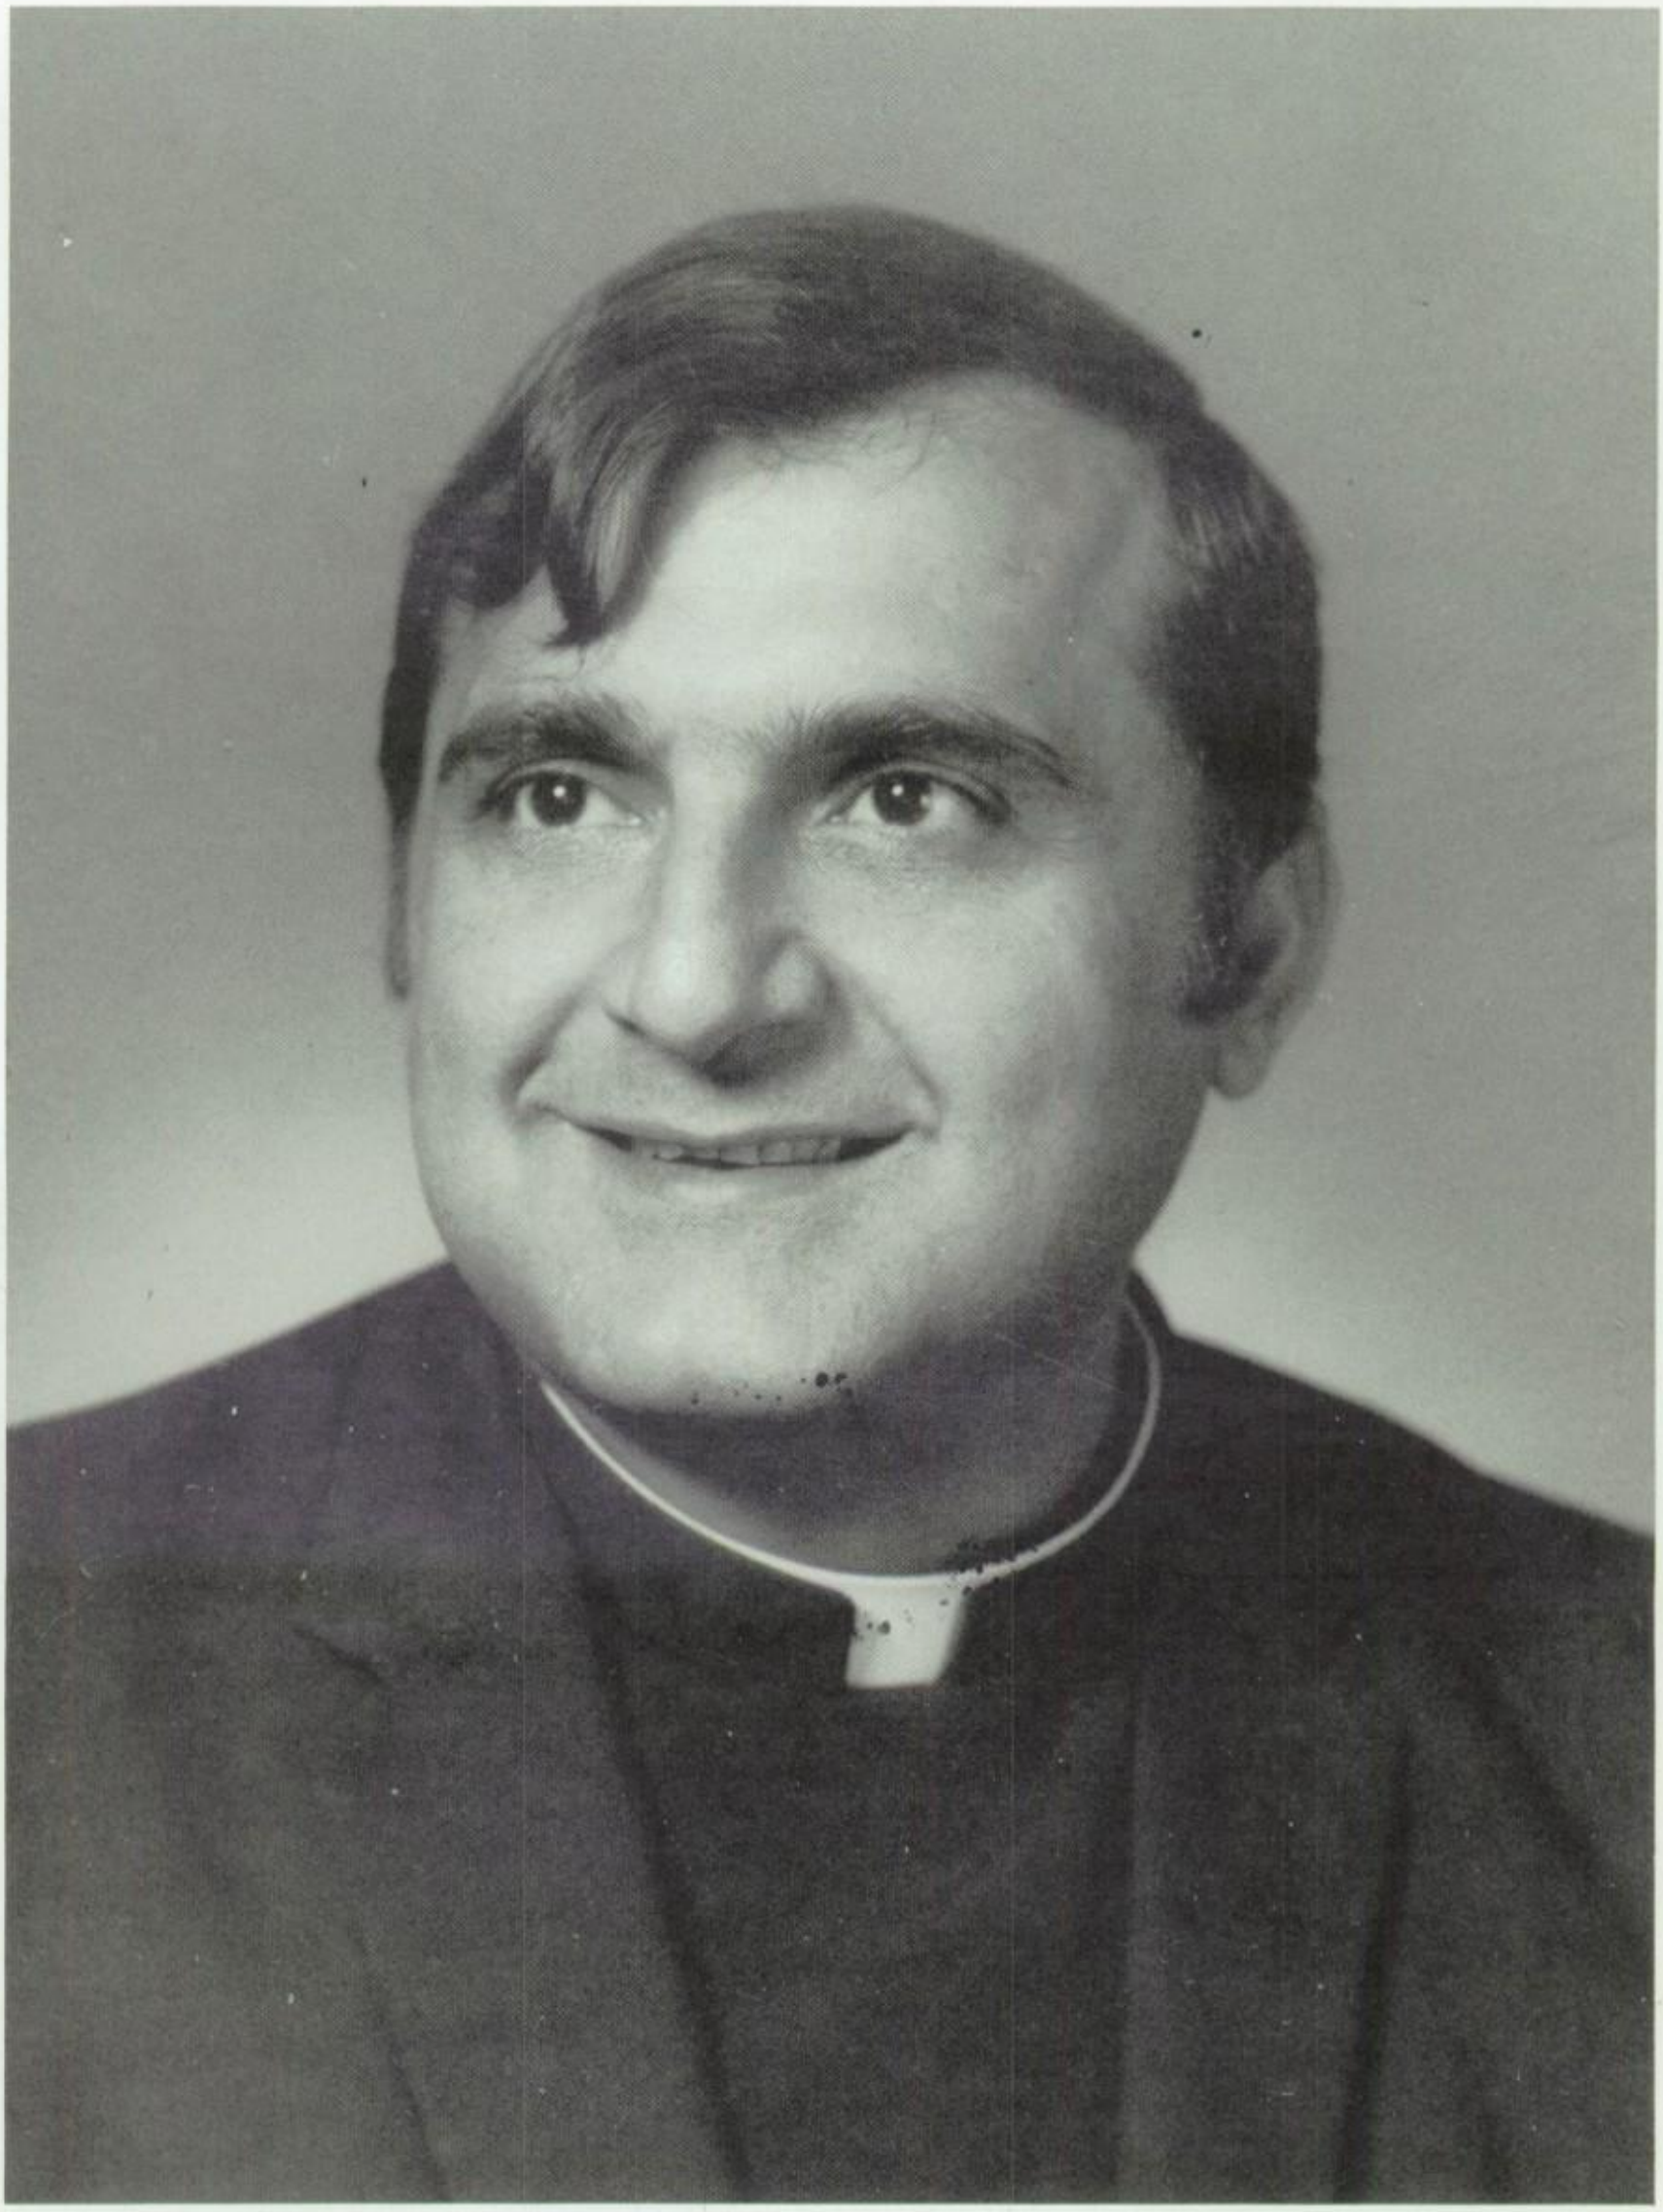
Administrator, Teacher, Helper . . . Our Friend



Reverend Anthony F. Silvestri, O.S.F.S.

To Our Godfather

Did you ever meet a man who lives completely for others? Let us tell you about such a one. He came to Bishop McGuinness four years ago.

In spite of the fact that he was not an Arab, he quickly earned a reputation as a firm administrator and devoted priest whose goodness and generosity by far outshine his every endeavor. To cope with his many responsibilities and problems, he keeps unreasonable hours, performs impossible tasks, and has the perfect response for everyone's requests, "Great, Great."

We, the seniors, have been drawn very close to our "godfather" during the past four years. We have recognized him as an accomplished painter of classroom walls, applauded him at his hula debut, listened to him boast of his Italian heritage, and have become experts on Wilmington, Delaware. We learned about the school with him and about life from him. Each of us has come to know him as a man of such deep faith that we can look to him for the confirmation of all our hopes.

It has always been "my freshmen, my sophomores, my juniors . . ." in an ever positive sense. We are now your seniors, Father Silvestri, and, with great pride and deep love for your unending kindness, we dedicate this edition of the KEY to you.

Preps Tonight

BISHOP McGUINNESS (9-5) AT WINSTON-SALEM CENTRAL (0-9) — at Anderson High gym — 8 p.m. — McGuinness played its best basketball of the year Saturday night when the Villains upset Surry Central.

Third leading city scorer Harvey Hairston had 30 points in that game and Central will have to stop him to have a prayer of staying close tonight. It should be an easy win for the Villains as they prepare for this Friday's North Central 1-A showdown with Wentworth.

Hairston and Jimmy Corrigan. The outcome may depend on their individual performances. A toss-up.

BISHOP McGUINNESS (12-8) AT DENTON — 8:45 p.m. — It's the first round of the meaningless North Central 1-A tournament for McGuinness — meaningless because the same teams will enter a "district" 1-A tourney next week with the same pairings. Denton beated only Winston-Salem Central in the regular season standings so the Villains should have no trouble advancing to the semi-finals.

BISHOP McGUINNESS (14-9) VS. DENTON (6-16) — first round of District 1-A playoffs at Rockingham Community College — 8 p.m. — Now the action actually counts for the Villains since the winner of this tournament gets a ticket to the state 1-A championships. Christmas Pageant

Love has reached every part

All things are possible.

You really earned them, Sister Irma.

Wouldn't it have been easier to take the elevator?

Have you ever been mellow?

This Is Your Life
Sister Martin Anthony

It is because you are a very special person, Sister Martin, that alumni, parents, relatives, and friends gathered last May to pay you fitting honor. You have served Bishop McGuinness High School for eleven years and we are happy that we may be counted among the number who passed through your hands.

Tennis Quite a racket at BMHS

For the second consecutive year, the Villains reached the quarter finals of the state (1A) playoffs, winning the conference and district championships along the way. Led by Mike Martin, who sported an 8-1 pitching record to win the team's most valuable player award, the Villains, in an 11-3 win-lose record, equaled the excellent 12-2 team of the preceding year. We look forward to another great season.

Penn,

For once, I think I'll be serious with ya! All in all you've been a fantastic person, although you did bug me sometimes. You are really a sweet person. I'm glad I really got to know you throughout the year, even on the team, at least at first. You really deserved that award the other day. We should have tried doing some kind of report together, since we do decently in History. Maybe you're right, about smiling. I do feel better when I get something out of being in a class with you all year. I'll miss you wee (if I come back), or wherever we go. No matter what I've said before, you are pretty great, & understanding. Keep your personality booming over at Reynolds. Hope they enjoy the company of you as much as we have. Good Luck!

Love
Mary

Penn,
I'm glad I got to know you this year. You're a great guy. I'm sorry you're really next year. I'll miss you and a deadly typing partner. Have a great class.

Penn,
Well, I had a pretty good year this year believed it or not, espec. in typing. I hope that when you get your license you will drive better than when you drove my car. Boy, in French did we have a blast in French, I only got threated 3 times to be kicked out of Class. Remember Chapel Hill, when you came down to State we will go to Chapel Hill and also remember Easter and Pete coming home from that basketball game, Have a nice summer

Joe R.

Penn,
We'll see you this summer on the baseball fields, but for the remainder of the year let's let miss kids have it especially during typing.

Ronny Savage

Penn,
It's been one hell of a year. I'm so glad I met you this year. We've had some good times and I hope to have some more and this summer. Your a great friend to have and thanks alot for listening to all my problems. Tell me how that book turns out, You'll probably never sell a million copies but that is O.K. with me. I've got so many things to say to you it would take up your whole year book. Take care of yourself. HAVE a great summer, I hope to see you alot.
